Proposed System Conservation Pilot Program Project Description Summary (if needed, provide details on additional sheets attached to this application)

FALLOW FIELDS - GRASS/ALALFA HAY

[redacted]

Project Location

(Provide a narrative description of the potential project location. Include project address, if applicable, T&R Sections, lat/long for general project location, or attach a map with a project area/boundary)

[redacted]

Description of Current Water Use

(Provide a narrative description of the current water use, including the place of use (attach a map of project are/boundary, if applicable)

FLOOD IRRIGATE - GATED PIPE - CREASED ROWS

[redacted] APRIL - OCTOBER

Water Right Information

(Provide the identification information and a description of the water right(s) being utilized by the project. Include permit number, facility (ditch) name, priority date, and (if adjudicated) Certificate No. and share numbers.)

[redacted]

Diversion Point(s) and Measurement Device(s)

(Provide a narrative description of the location of the point(s) of diversion and identify any existing measurement devices (attach a map with project points of diversion preferred))

[redacted]

Estimated Amount of Water Conservation Per Year or Over the Life of the Proposed Project (Acre-feet)

(Provide supporting information or methodology for estimating water conservation volumes in acre-feet)

OPEN ET INDICATES [redacted] WE CURRENTLY IRRIGATE 15-16 ACRES. CONSERVATION WOULD BE 45 ACRE FEET W/ FALLOWED FIELDS

Proposed Verification Method

(Describe how the Upper Colorado River Commission and State staff could verify the reduction in consumptive use.)

ON SITE INSPECTION, OF OUR PERSONAL HEADGATE & FIELD FROM N ROAD BOX

Timeframe/Schedule

(Describe the timing of the conservation actions proposed by the project (e.g., when irrigation season would normally begin, when the water conservation action will begin, etc.))

~~IN A~~ WE WOULD NOT PUT ANY WATER TO HAY FIELDS APRIL - OCTOBER

Funding Request

(If above the SCPP RFP's stated firm fixed price of $150.00/acre-foot, please describe the funding request for the proposed project. Please include any relevant market information or other bases for an increase over the firm fixed price of $150.00/acre-foot.)

[redacted]

Additional Information

(Include any additional information that would be helpful in understanding your proposal.)

FALLOW OUR HAY FIELDS FOR THE SEASON.
IF A FIRST CUTTING GROWS WITHOUT IRRIGATION,
WE WOULD LIKE TO HARVEST. THE HEADGATE
WOULD REMAIN CLOSED, EXCEPT WHEN
WE WATER HORSE PASTURE [redacted]
