PUBLIC NOTICE

Elk Ridge Mining and Reclamation, LLC, P.O. Box 628, Nucla, CO 81424 has submitted a complete application for Renewal of a Valid, Existing Permit to Conduct Mining in Colorado to the Division of Reclamation, Mining and Safety for its New Horizon North Mine, Permit No. C-2010-089.

The New Horizon North Mine office is located at 27646 West 5th Street, P.O. Box 628, Nucla, Colorado. The permit area contains tracts of land located in Section 25 and Section 36, Township 47 North, Range 16 West of the New Mexico Principal Meridian, Montrose County, Colorado being more particularly described as follows:

The West ½ of Section 25, T. 47 N. R. 16 W. of the New Mexico Principal Meridian, containing 317.23 acres more or less. Additionally, within Section 36, T. 47 N. R. 16 W. of the New Mexico Principal Meridian, an equipment corridor of 4.95 acres, a road corridor of 1.08 acres, an area of 3.32 acres encompassing the discharge flume of Pond 001 and a maintenance corridor along AA Road, and an area of 2.30 acres encompassing a portion of the Old New Horizon Mine 1 Pond 001. In total the New Horizon North permit boundary contains 328.88 acres more or less.

The above mentioned tracts of land are shown on USGS 7.5 minute Nucla Quadrangle map.

A copy of the complete technical revision application is available for public inspection at the Montrose County Courthouse Annex, Nucla, Colorado. Written comments or objections to the application may be submitted to the Division of Reclamation, Mining and Safety, Room 215, 1313 Sherman Street, Denver, Colorado 80203, Telephone (303) 866-3567. Written comments and objections must be received by the Division of Reclamation, Mining and Safety within 30 days after the last publication of this notice.

Topsoil stripping and haul road and pond construction activities are proposed to occur within 100' of the outside right-of-way of public roads. However, no overburden removal or coal extraction will occur within 100' of the outside right-of-way of public roads. A public hearing, for the purpose of determining whether the interests of the public and affected landowners will be protected, may be requested by contacting the Division in writing within 30 days of the last day of last publication of the notice. If requested, such hearing would be held in Nucla, the locality of the proposed mining operation.

Public Notice

NOTICE OF PROPOSED DECISION

The Colorado Division of Reclamation, Mining and Safety proposes to approve Technical Revision Application No. 76 (TR-76) for the New Horizon Mine (Permit No. C-1981-008), submitted by Elk Ridge Mining and Reclamation, LLC. TR-76 was submitted to incorporate into the permit the as-built certification for Pond 18, culvert 181 and add two new volumes to the permit due to size constraints.

The New Horizon Mine is a/an surface coal mine located in Montrose County, approximately 1.7 miles NW of Nucla, Colorado. Coal interest is private, and the surface affected is private land. The permit area encompasses approximately 913.92 acres.

This proposed decision is based on a finding that the proposed operation will comply with all requirements of the Colorado Surface Coal Mining Reclamation Act, Section 3433101, et seq., C.R.S., and the regulations promulgated thereunder.

Copies of the proposed decision, including stipulations, are on file for public inspection at the Colorado Division of Reclamation, Mining and Safety, Room 215, Centennial Building, 1313 Sherman Street, Denver, Colorado 80203. Persons with an interest that may be adversely affected by the proposed decision may request a formal hearing before the Mined Land Reclamation Board on the proposed decision. Such request must be made within ten (10) days of the initial publication of this notice, must be in writing, and must state with reasonable specificity the reasons for the request and the objections to the proposed decision.

Answer: The Great Chicago Fire was a conflagration that burned from Sunday, October 8, to early Tuesday, October 10, 1871, killing hundreds and destroying about 3.3 square miles in Chicago, Illinois. Though the fire was one of the largest U.S. disasters of the 19th century, the rebuilding that began helped develop Chicago as one of the most populous and economically important American cities.
