

Chatfield Reservoir Reallocation Project Proposed Implementation Organizational Chart *October 2009 DRAFT*

Notes:

* The selection process for securing a qualified A/E & Implementation firm would be open and competitive, using a mutually agreeable selection panel

** The proposed CAAC could include representation from the following groups: Corps of Engineers, State of Colorado (DNR, State Parks, DOW, CWCBA, & DWR), Water Providers, environmental entities, recreation groups, and other interested stakeholders.
