

AGENDA

Interbasin Compact Committee (IBCC)

June 17, 2010: 8:30 a.m. – 4:00 p.m.

The Keystone Resort

Keystone, Colorado

The meeting goals are:

Using the technical information developed over the past few years and the information from past IBCC breakout sessions, the IBCC will have facilitated discussions on:

1. Frameworks for implementing specific parts of the portfolios
2. Guidelines/principles for transferring water between areas

8:30 – 9:00 *Tribute to Chips Barry*

9:00 – 9:30 *IBCC 4-Meeting Plan* (Alex Davis and Heather Bergman)
The IBCC will discuss using their remaining meetings in 2010 to develop recommendations for the legislature and the next Governor

9:30 – 12:00
(with break) *Facilitated Discussions* (Heather Bergman)

Alternative Agricultural Transfer Methods – Develop a “To-Do List” for reducing transaction costs associated with these transfer methods

Conservation – Identify implementable actions that can increase conservation’s part of the portfolio

12:00 – 12:30 ~ Lunch ~

12:30 – 4:00
(with breaks) *Facilitated Discussions (continued)*

New Water Supply Development – Discuss guidelines/principles for transferring water between areas

Non-Consumptive:

- Identify ways nonconsumptive needs can be addressed in agricultural transfers, conservation, new water supply development, and IPPs
- Discuss specific actions that are needed to help implement nonconsumptive projects and methods

Identified Projects and Processes (IPPs) – Identify specific actions that are needed to help increase the success rates of the IPPs

Upcoming IBCC Meetings:

- August 30 – Loveland/Longmont
- October 14 – Salida/Canyon City
- December 1 – Denver
