**Re: Water Supply Reserve Account Grant Application for COOPERATIVE MANAGEMENT ANALYSIS  
FOR THE UPPER ARKANSAS RIVER BASIN**

Dear Todd:

Under separate cover you will receive a WSRA grant application for a Cooperative Management Analysis for the Upper Arkansas River Basin. At the May 12, 2010 Arkansas Basin Roundtable meeting, the roundtable agreed by consensus to approve this application for basin funds and forward it for consideration by the Colorado Water Conservation Board. This activity will address significant non-consumptive needs as identified in our Resource Document.

My hope is that this grant request can be heard at the July, 2010 CWCB meeting in Salida, Colorado. Please do not hesitate to contact me if you have any questions.

Sincerely,

Gary Barber  
Chair
