

The Gunnison Basin Roundtable

April 9, 2010

Mr. Todd Doherty
Intrastate Water Management and Development Section
COLORADO WATER CONSERVATION BOARD
1580 Logan Street, Suite 600
Denver, CO 80203

Re: Grant Request from the Water Supply Reserve Account
Leroux Creek Water Users Association
Hanson Reservoir Outlet Rehabilitation

Dear Mr. Doherty:

This letter is presented to advise you that the grant application submitted by the Leroux Creek Water Users Association for \$50,000 from Basin Account funds from the Water Supply Reserve Account for the Hanson Reservoir Outlet Rehabilitation project was reviewed by the Gunnison Basin Roundtable and its Project Screening Committee, recommended for approval by that committee, and approved by a unanimous vote of the Gunnison Basin Roundtable during our meeting on April 5, 2010.

This water activity meets the provisions of Section 37-75-104(2), Colorado Revised Statutes. The requirements/language from the statute is provided in Part 3 of the Criteria and Guidelines.

This activity furthers the basin-wide water needs assessment for the Gunnison Basin Roundtable. The Gunnison Basin Roundtable recognized the importance of maintaining existing water supplies in its Draft Memo on Gunnison Basin Water Needs Assessment and Related Tasks dated January 31, 2007. Additionally, SWSI also identifies keeping existing water resources as a top priority. The water from LCWUA goes to supply agricultural and municipal consumptive needs.

Sincerely,

Michelle Pierce
Chair
