DRAFT SUMMARY MINUTES AND RECORD OF DECISIONS May 18-19, 2010

Bill Ritter, Jr.
Governor

Mike King
DNR Executive Director

Jennifer L. Gimbel
CWCB Director

A regular meeting of the Colorado Water Conservation Board (CWCB) was convened at 1580 Logan St., Denver, CO 80203. The meeting was called to order by Chair, Geoff Blakeslee. Seven voting members were present at the call to order, so a quorum was present (at least 6 required).

Voting members present were Chair Geoff Blakeslee, Vice Chair Eric Wilkinson, Carl Trick, Travis Smith, John McClow, Reed Dils, and April Montgomery. The Colorado Department of Natural Resources Executive Director, Mike King, arrived shortly after the call to order. Non-voting, *Ex-Officio* members present or represented were CWCB Director Jennifer Gimbel, the Department of Agriculture Commissioner, John Stulp, The Colorado Division of Wildlife Director Tom Remington, Deputy Attorney General Casey Shpall, and Deputy State Engineer Mike Sullivan. The Interbasin Compact Committee Director, Alexandra Davis, was also present.

Note: While the Board's consideration of agenda items does not always follow the sequence indicated by the agenda numbers, these minutes are listed in agenda item order for easier reference.

*A complete record of the meeting has been made in electronic form using an MP2 format. The recording and the associated written materials are the only legal record of the meeting. These written summaries are intended only as an aid to research and a guide to the tapes. The motions described herein may not represent a verbatim transcription. Agenda items are presented in numerical order, according to the Agenda for the meeting. Disk numbers and approximate locations are identified for the beginning and end of each agenda item. The complete record of this meeting is available at the CWCB during regular office hours. Arrangements to make copies of the tapes or written transcripts of specific agenda items may be produced at the requestor's expense. Notes from the meeting for identification of times and tapes for specific agenda items can also be reviewed at the CWCB offices. Voting tallies are based on members present for voting. Members recusing themselves are identified. Board members occasionally leave the meeting, but the original meeting notes typically indicate whether or not a particular Board Member was present during a specific agenda item.

Action: A motion was made by Reed Dils and seconded by April Montgomery to approve staff recommendation, on the streams listed in the Board memo, that the Board;

1. Make the following determinations and take the following actions on each of the appropriations, based on the information contained in the memo as well as the information presented by staff both in writing and orally at the January 26, 2010 Board meeting;
2. Determine, pursuant to section 37-92-102(3), C.R.S., and based upon the recommendations of the BLM, DOW, and/or TU, a review of the data and other information presented by staff, in the memo and orally, that:
 - a. There is a natural environment that can be preserved to a reasonable degree with the recommended water rights, if granted,
 - b. Water is available in each stream for appropriation,

- c. The natural environment will be preserved to a reasonable degree by the water available for the recommended appropriations, and
 - d. Such natural environment can exist without material injury to water rights. Pursuant to ISF Rule 5f., establish January 26, 2010, as the appropriation date for these instream flow water rights; and,
3. Direct staff to request the Attorney General's Office to file the necessary water rights applications and include language in the Animas River applications recognizing the senior conditional water rights owned by the Southwestern Water Conservation District.

The motion was approved unanimously (8-0).

Action: Pursuant to Rule 6b, a motion was made by Travis Smith and seconded by Eric Wilkinson to approve staff recommendation that the Board;

1. Conclude that the proposed acquisition by donation of 2.5 cfs of the Gabino Gallegos Ditch water right is appropriate to preserve and improve the natural environment of the Alamosa River to a reasonable degree,
2. Determine that the acquired Gabino Gallegos Ditch water right would be best utilized by storing in Terrace Reservoir up to 427 acre feet of water historically diverted by the Gabino Gallegos Ditch water right, and releasing such water to the Alamosa River during the late summer, fall, and early winter to preserve and improve the natural environment by establishing more sustainable surface stream flows in the river segment between Terrace Reservoir and County Road 10,
3. Authorize the Director to approve an agreement allowing the ARK to retain an interest in the water so that ARK may lease back the acquired water right for irrigation use in order to protect the HCU while the reservoir spillway is reconstructed,

4. Determine that until the reservoir spillway is reconstructed the CWCB should maintain an option to utilize the water right by bypassing the water at the headgate for instream flow use downstream of the headgate on the Alamosa River,
5. Approve the Donation and Acquisition Agreement with Valle Del Sol Community Center/Alamosa Riverkeepers,
6. Accept the donation of 2.5 cfs of the Gabino Gallegos Ditch from Valle Del Sol Community Center/Alamosa Riverkeepers,
7. Approve the Storage Agreement with Terrace Irrigation Company and Valle Del Sol Community Center/Alamosa Riverkeepers;
8. Authorize the Director to execute the Donation and Acquisition Agreement and the Storage Agreement; and,
9. Direct staff to work with the Attorney General's office to file the necessary change of water right application with the Water Court.
