DATE: August 3, 2010
RE: Colorado Water Conservation Board Website Redesign – Acceptance Sign-off

Thank you for the opportunity to provide Website Redesign related to Microsoft SharePoint for Colorado Water Conversation Board. The Colorado Water Conservation Board Website Redesign has been completed as of Friday, July 30, 2010.

Acceptance sign-off of this document will formally conclude the billing for services relative to the attached Statement of Work.

We appreciate your business and look forward to providing additional SharePoint solutions in the future.
