Subject: Request for Modification of Agreement No. 99-FC-60-11870

Dear Mr. Kowalski:

This is in response to Mr. Purcell's letter dated January 5, 2009, to modify the above agreement in the amount of \$7,700,000. After discussions with Leatha Frost, Grants and Cooperative Agreements Officer of Reclamation's Financial Assistance Services, it was noted that block #12, Funding Information is for Reclamation funds only. Block #15, Description of Modification, should read, "This modification increases Colorado's funding for 2009 in the amount of \$7,700,000 which increases Colorado's appropriation and authorization up to \$15,500,000." When this change has been made, please sign and send the modification with the State of Colorado's original signature to this office. Only one original is required for signature. We will forward it to Leatha, and she will send it to the other parties for signature, finalize the modification, and distribute copies.

Sincerely,

John H. Lawson  
Area Manager
