Dear Mr. Pifher:

This letter is to inform you that the Office of Water Conservation & Drought Planning presented the City of Aurora's grant request to the Colorado Water Conservation Board in their Board meeting on May 18, 2011. The CWCB approved the grant for the Water Use Inefficiency Mapping and Identification Integrated with the System Incentive Program (SIP) Project.

The OWCDP staff is pleased to award the City of Aurora a grant in the amount of **\$117,741** to implement and develop a system that will strengthen proactive conservation implementations that meets the requirements outlined in SB07-008. **Please allow for the purchase order (P.O.) to be completed by our Accounting Department, before starting on proposed scope of work.**

Should you have any questions or concerns, please feel free to contact Deborah Burrell at 303-866-3441 ext. 3256 or email at deborah.burrell@state.co.us. Thank you for your interest in and support of water conservation. I look forward to working with you in the near future.

Sincerely,

Veva Deheza
Section Chief
Office of Water Conservation & Drought Planning
