Virtual Water Resources Information Center Fact Sheet

The Colorado Water Conservation Board's (CWCB's) online Water Resource Information Center (WRIC) is a comprehensive library of CWCB reports, studies, publications and other agency materials.

Virtual WRIC

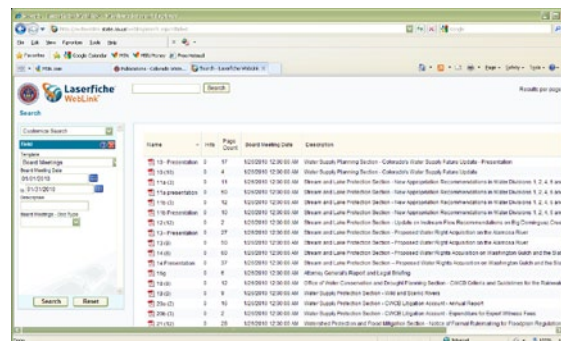

In conjunction with the Department of Natural Resources, the CWCB houses a centralized electronic document archival, retrieval and management system, powered by Laserfiche WebLink.

Documents have been categorized into 30 different areas of interest and are available throughout the CWCB website. The Document Search page provides quick search options for commonly searched documents, as well as a basic guide for searching and obtaining documents from the system.

What's Available

- Floodplain Maps & Reports
- Board Memos, Minutes & Audio
- Press Releases
- DSS Data
- Legislative Information
- Feasibility Studies
- Financial Statements
- WSRA Grant Documents
- Basin Roundtable Meeting Documents
- Water Efficiency Grants
- IBCC Annual Reports
- Stream & Lake Protection Final Decrees
- Reports & Studies
- Contracts
- Publications

And Much More!

Expanded Search Capabilities

WebLink provides expanded search functionality, including full-text search. All of CWCB's documents have been run through an "optical character recognition (OCR)" process, which allows the text of documents to be searched by key words and/or phrases. The Field search allows searching by indexed data specific to each template/document class.
