

Summary

This is an application for approval of rights of substitution and exchange for the Town of Palmer Lake in El Paso County. Applicant is requesting the right to divert water out-of-priority at structures located on North Monument Creek (Anchor Ditch, Glen Park Reservoir, and Palmer Lake Water System), in exchange for water released to Monument Creek at the Tri-Lakes Wastewater Treatment Facility, which is located several miles downstream. The proposed exchange would allow water to be diverted at a combined rate of 3.08 cfs.

CWCB Appropriations

The CWCB holds the following instream flow water right that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
2-80CW079	North Monument Creek	1	5/7/1980	Fountain Creek	El Paso

Potential for Injury

The Applicant's proposed out-of-priority diversions at the Anchor Ditch, Palmer Lake Water System and Glen Park Reservoir, and proposed plan for substitution and exchange may injure the CWCB's instream flow water right on North Monument Creek.

Other Objectors

Other objectors include the Town of Monument.
