

Summary

This is an application for surface and storage water rights and change of water right near Norwood in San Miguel and Montrose Counties. Applicant intends to construct several new surface water and storage rights for irrigation, municipal, domestic and other uses to serve its customers for the next 50 years. Applicant is also requesting new uses, as well as alternate points of diversion and places of storage for the NWC River Diversion.

CWCB Appropriations

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
4-02CW277	San Miguel River	93/61	1/23/2002	San Miguel	San Miguel
4-84CW442	West Beaver Creek	1.5	7/13/1984	San Miguel	San Miguel
4-84CW436	Fall Creek	5	7/13/1984	San Miguel	San Miguel
4-93CW268	Beaver Creek	5/2.5	11/9/1993	San Miguel	San Miguel
4-93CW267	Saltado Creek	2/1	11/9/1993	San Miguel	San Miguel
4-02CW279	Specie Creek	1.6/4.3/0.2	1/23/2002	San Miguel	San Miguel

Potential for Injury

The Applicant's proposed change of water right to add new uses, and alternate points of diversion and storage may result in an expansion of use which could injure the CWCB's instream flow rights.

Other Objectors

Other objectors include the Farmers Water Development Co., Town of Telluride, Telecam Partnership II, Ltd., U.S. Department of Interior – Bureau of Land Management, Little Cone Ranch HOA, Beaver Mesa Livestock Co., Brasier Family Limited Partnership, et al., Register Family Trust, John & Victoria Irwin Joint Trust, Montrose County Commissioners, T.L.
