Call to Order 10:38 a.m.

1. Review and Approval of Agenda

Tape 1, Track 2 00:00:00 – 00:01:34

Action: Jennifer Gimbel advised the Board members that there was a change to agenda item 20b. The amount being requested in 20b had been changed from \$25,000 to \$50,000. There was no motion on this agenda item.

*A complete record of the meeting has been made in electronic form using an MP2 format. The recording and the associated written materials are the only legal record of the meeting. These written summaries are intended only as an aid to research and a guide to the tapes. The motions described herein may not represent a verbatim transcription. Agenda items are presented in numerical order, according to the Agenda for the meeting. Disk numbers and approximate locations are identified for the beginning and end of each agenda item. The complete record of this meeting is available at the CWCB during regular office hours. Arrangements to make copies of the tapes or written transcripts of specific agenda items may be produced at the requestor's expense. Notes from the meeting for identification of times and tapes for specific agenda items can also be reviewed at the CWCB offices. Voting tallies are based on members present for voting. Members recusing themselves are identified. Board members occasionally leave the meeting, but the original meeting notes typically indicate whether or not a particular Board Member was present during a specific agenda item.

2. Review and Approval of Meeting Minutes for the November 17-18, 2009

Tape 1, Track 2 00:01:35- 00:04:54

Action: Eric Wilkinson suggested corrections to the November Draft Minutes as follows: 1) Page 7, the date should be changed from September 16 to November 18, and 2) change the spelling of Plasserville to Placerville. A motion was made by Travis Smith and seconded by Carl Trick to approve the amended November 17-18, 2009 Meeting Minutes. The amended motion was approved unanimously (10-0).

3. Approve and/or Remove Items from Consent Agenda

Tape 1, Track 2 00:04:56 - 00:5:42

13. Stream and Lake Protection Section – Proposed Water Rights Acquisition on the Alamosa River

Tape 1, track 2 05:04:29 – 05:30:00

Action: Information item only. No action was required by the Board.

14. Stream and Lake Protection Section – Proposed Water Rights Acquisition on Washington Gulch and the Slate River

Tape 1, Track 2 05:30:01 – 05:53:25

Tape 1, Track 4 00:00:16 – 00:05:50

Action: A motion was made by John McClow and seconded by Barbara Biggs to approve staff recommendation that the Board:

1. Conclude that: (1) the proposed acquisition by purchase of the Breem Ditch Conservation Use Right is appropriate to preserve the natural environments of Washington Gulch and the Slate River to a reasonable degree; and (2) that the proposed acquisition by donation from the CWT of the portion of the Conservation Use Right above that needed to preserve the natural environment of Washington Gulch is appropriate to improve the natural environment of Washington Gulch to a reasonable degree.
2. Determine that the acquired Breem Ditch Conservation Use Right would be best utilized by: (1) combining it with the Board's existing decreed ISF water right on Washington gulch to maintain flows up to 5.45 cfs to preserve or improve the natural environment; and (2) combining it with the Board's existing decreed ISF water right on the Slate River to maintain flows up to 23 cfs, the amount decreed in Case No. 80CW092C;
3. Approve the purchase and accept the donation of a portion of the Breem Ditch Conservation Use Right from the CWT;
4. Determine that the benefit to the natural environment of Washington Gulch and the Slate River from this acquisition of 5.45 cfs during the irrigation season outweighs the potential detriment to the natural environment from lagged return flows of 0.065 cfs in October on the Slate River.

5. Authorize the Director to execute the portion of the Water Rights Purchase and Sale Agreement documenting the Board's agreement to the terms and conditions of Paragraph 16 of that Agreement;
6. Authorize the Director to execute: (1) an agreement with Skyland regarding the maintenance of return flows; and (2) the Joint Operating Principles, once finalized to the satisfaction of all parties;
7. Pursuant to section 37-60-123.7, C.R.S. (2009), authorize the expenditure and transfer to the CWT of \$335,000 to pay: (1) \$300,000 toward the cost of the Breem Ditch Conservation Use Right; and (2) \$35,000 for costs related to the acquisition of the Breem Ditch Conservation Use Right, as outlined in the financial summary provided to the Board; and
8. Direct staff to work with the Attorney General's Office to negotiate the return flow agreement and Joint Operating Principles and to file water court application to change the use of the acquired water right to add instream flow use.

The Board placed a condition on the purchase such that the Joint Operating Principles to be approved by the CWCB Director will include a contract provision to the satisfaction of the State Engineer wherein the CWCB will be able to place a call for the water right. Carl Trick voted against the \$35,000 reimbursement payment to CWT, but is in favor of this project. Eric Wilkinson and James Martin were not available for this motion. The motion was approved (7-1).

15. Attorney General's Report, Legal Briefing and Executive Session – *This is a briefing on legal issues contained in the Attorney General's written report and on items listed below that the Board may refer for discussion in an Executive Session based upon attorney client privilege.*
