

**Colorado Water for the 21<sup>st</sup> Century  
Metro Roundtable – Meeting Minutes**

**August 10, 2011      3:30 PM – 5:30 PM  
At the Denver Water Board Room**

Rod Kuharich chaired the meeting.

The scope of discussion at this meeting was limited to evaluation and discussion of the proposed “Portfolio Tool” for the Metro Roundtable. No actions were taken, and it was anticipated that there would be additional discussion on this topic at the next Metro Roundtable meeting.

Mark Wagge said that he will seek input on water conservation assumptions from the CTAG group and others, to provide input on the most reasonable level of water conservation that should be assumed for use in the “Portfolio Tool”.
