

Summary

This is an Application to change the decreed point of diversion to two downstream locations at Headgate No. 1 and Headgate No. 2 for a total decreed amount of 17.16 cfs. The Application states there are “no intervening water rights decreed to this reach of Big Creek;” however, CWCB holds a water right for 1.0 cfs in this reach.

CWCB Appropriations

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
4-76W2920	Big Creek	1.0	7/30/1976	Lower Dolores	Mesa
4-76W2919	Gill Creek	4.0	7/30/1976	Lower Dolores	Mesa
4-77W3296	West Creek	6.0	1/19/1977	Lower Dolores	Mesa

Potential for Injury

The proposed change of water rights could cause an expansion of use, which could injure the CWCB’s instream flow water rights.

Other Objectors

No other objections were filed in this case.
