

Summary

This is an Application for a plan for augmentation and exchange to replace depletions from out-of-priority diversions for new storage rights and the town's other decreed water rights.

CWCB Appropriations

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
1-80CW064	Middle Fork South Platte River	6/12	1/30/1980	South Platte	Park
1-80CW066	Middle Fork South Platte River	4	1/30/1980	South Platte	Park
1-80CW67	Middle Fork South Platte River	8/16	1/30/1980	South Platte	Park
1-79CW194	Dolly Varden Creek	1.5	3/14/1979	South Platte	Park
1-76CW8220	Buckskin Creek	5	1/14/1976	South Platte	Park

Potential for Injury

The proposed plan for augmentation and exchange may not replace depletions in the appropriate time, place and amount.

Other Objectors

Other objectors include Platte River Ranch Estates Water and Road Association, Center of Water Conservancy District, Upper South Platte River Water Conservancy District and Park County Board of County Commissioners.
