The Applicant has applied for an Agricultural Emergency Drought Response grant from the Colorado Water Conservation Fund's Severance Tax Trust Fund Perpetual Base Account pursuant to C.R.S. § 37-60-123.5 which provides loans or grants to agricultural organizations for emergency drought-related water augmentation purposes.

Pursuant to the conditions of C.R.S. § 37-60-123.5, the Applicant is an agricultural organization and the Applicant's area has received an emergency drought designation or a disaster emergency has been proclaimed due to drought.

Therefore, the Director of the Colorado Water Conservation Board and the State Engineer have consulted with the Commissioner of Agriculture and the Executive Director of the Department of Natural Resources, and agree to award a grant in the amount of \$227,693.22 to said Applicant.
