- d. **Debt Service Reserve Account.** To establish and maintain the debt service reserve account, the BORROWER shall deposit an amount equal to one-tenth of an annual payment into its debt service reserve fund on the due date of its first annual loan payment and annually thereafter for the first ten years of repayment of this loan. In the event that the BORROWER applies funds from this account to repayment of the loan, the BORROWER shall replenish the account within ninety (90) days of withdrawal of the funds.

9. **Collateral.** The collateral for this loan is described in Section 6 (Collateral) of the

Loan Contract C150277

Project Summary, and secured by the instrument(s) attached hereto as **Appendix 5** and incorporated herein.

10. **Collateral During Loan Repayment.** The BORROWER shall not sell, convey, assign, grant, transfer, mortgage, pledge, encumber, or otherwise dispose of the Collateral or the Pledged Property so long as any of the principal, accrued interest, and late charges, if any, on this loan remain unpaid, without the prior written concurrence of the CWCB. In the event of any such sale, transfer or encumbrance without the CWCB's written concurrence, the CWCB may at any time thereafter declare all outstanding principal, interest, and late charges, if any, on this loan immediately due and payable.
11. **Release After Loan Is Repaid.** Upon complete repayment to the CWCB of the entire principal, all accrued interest, and late charges, if any, as specified in the Promissory Note, the CWCB agrees to release and terminate any and all of the CWCB's right, title, and interest in and to the Collateral and the Pledged Property.
12. **Warranties.**

 - b. The BORROWER warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the BORROWER, to solicit or secure this contract and has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or the making of this contract.
 - c. The BORROWER warrants that the Pledged Property and Collateral for this loan are not encumbered by any other deeds of trust or liens of any party other than the CWCB or in any other manner, except for any existing lien(s) identified in Section 5 (Schedule of Existing Debt) of the **Project Summary**, which sets forth the position of the lien created by this contract in relation to any existing lien(s). Documentation establishing the relative priorities of said liens, if necessary, is attached to the **Project Summary** and incorporated herein.
13. **Change of Ownership of Water Shares During Term of Contract.** If the interest rate for this loan is based on the CWCB's agricultural or blended agricultural and municipal and/or commercial and/or industrial rates, the BORROWER agrees to notify the CWCB of any change of the ownership of the water rights represented by its shares from irrigation to municipal or commercial or industrial use. The interest rate shall be revised when said change in ownership would increase the original interest rate by 0.5% or more. The parties shall amend this contract, including a revised promissory note, to effect said change in interest rate.

- c. exercise its rights under any appendices to this contract, including, but not limited to, the Promissory Note, Security Agreement, and/or any instrument securing collateral; and/or

All remedies described herein may be simultaneously or selectively and successively enforced. The CWCB may enforce the provisions of this contract at its option without regard to prior waivers of previous defaults by the BORROWER, through judicial proceedings to require specific performance of this contract, or by such other proceedings in law or equity as may be deemed necessary by the CWCB to ensure compliance with provisions of this contract and the laws and regulations under which this contract is executed. The CWCB's exercise of any or all of the remedies described herein shall not relieve the BORROWER of any of its duties and obligations under this contract.

15. **Operation of PROJECT.** The BORROWER shall, without expense or legal liability to the CWCB, manage, operate, and maintain the PROJECT continuously in an efficient and economical manner.

16. **BORROWER's Liability Insurance.**

6. **Liability Insurance During Construction.** During construction of the PROJECT, the BORROWER shall require the construction firm(s) and any subcontractors to maintain the following insurance coverage in the limits shown during the term of their contracts for the construction of the PROJECT. Such inspections shall cover the condition of the PROJECT, operating records, maintenance records, and financial records. These inspections are solely for the purpose of verifying compliance with the terms and conditions of this contract and shall not be construed nor interpreted as an approval of the actual design, construction or operation of any element of the PROJECT facilities.
2. **Applicable Laws.** The BORROWER shall strictly adhere to all applicable federal, state, and local laws and regulations that are in effect or may hereafter be established throughout the term of this contract.
3. **Designated Agent Of The CWCB.** The CWCB's employees are designated as the agents of the CWCB for the purpose of this contract.
4. **Assignment.** The BORROWER may not assign this contract except with the prior written approval of the CWCB.
5. **Contract Relationship.** The parties to this contract intend that the relationship between them under this contract is that of lender-borrower, not employer-employee. No agent, employee, or servant of the BORROWER shall be, or shall be deemed to be, an employee, agent, or servant of the CWCB. The BORROWER shall be solely and entirely responsible for its acts and the acts of its agents, employees, servants, engineering firms, construction firms, and subcontractors during the term of this contract.

condemnation award to be applied to the prompt replacement, repair and restoration of the PROJECT facilities or any portion thereof, or to repayment of this loan. Any net proceeds remaining after such work has been completed or this loan has been repaid, shall be retained by the BORROWER. If the net insurance proceeds are insufficient to pay the full cost of the replacement, repair and restoration, the BORROWER shall complete the work and pay any cost in excess of the net proceeds. In the event BORROWER chooses to repay the loan, BORROWER shall remain responsible for the full loan amount outstanding regardless of the amount of such insurance proceeds or condemnation award.

9. **Captions.** The captions and headings contained in this contract are for convenience and reference only and shall not be construed so as to define or limit the terms or provisions contracted herein.
10. **CWCB's Approval.** This contract requires review and approval of plans, specifications, and various other technical and legal documents.
