SUBJECT: Goodman Point SB179 Application

Dear Mr. Brown:

The Southwest Basins Roundtable (Roundtable) is pleased to submit an application for Water Supply Reserve Account (Account) funding for consideration at the September, 2007 CWCB Board Meeting. The application was approved by consensus at the SWRT meeting on June 13, 2007. The application will be sent to you directly from the applicant.

Even though the application was for \$260,000 from the State funding pool, the SWRT believed this project was so important that \$20,000 was allocated from the SWRT funding pool. This project meets all of the criteria for funding.

Please contact me at 970-259-5322, steve@durangowater.com, if you have questions. Please contact the applicant for questions on the application.

Sincerely,

Steven C Harris, P.E.
