

Summary

Applicant seeks to change irrigation and domestic water rights to new municipal uses, to store historic consumptive use credits, to approve a plan for augmentation, and to appropriate conditional rights of exchange.

CWCB Appropriations

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
1-87CW273	North Clear Creek	1.5	12/11/1987	Clear Creek	Gilpin
1-85CW418	Leavenworth Creek	1.5	11/15/1984	Clear Creek	Clear Creek

Potential for Injury

The proposed change of water rights could cause an expansion of use, and the proposed plan for augmentation and exchange may not replace depletions in the amount, timing or location at which they occur, which could injure the CWCB's instream flow water rights.
