

Summary

This is an application for a plan for augmentation and an appropriative right of exchange. The Applicant seeks to augment groundwater depletions from the Snake River with downstream water rights by means of an appropriative right of exchange.

CWCB Appropriations

The CWCB holds the following instream flow water right that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
5-86CW210	Snake River	6/12	3/14/1986	Blue	Summit

Potential for Injury

The proposed plan for augmentation and exchange may not replace depletions in the amount, timing or location at which they occur, which could injure the CWCB's instream flow water right.

Other Objectors

Other Objectors include the City and County of Denver, acting by and through its Board of Water Commissioners, the Town of Dillon, Grand Valley Water Users Association, Orchard Mesa Irrigation District and Ute Water Conservancy District, the State and Division Engineers, the City of Colorado Springs, the Colorado River Water Conservation District, acting by and through its Water Projects Enterprise, and Dundee Resort Development LLC.
