Colorado Water Conservation Board

Dear Jacob,

The final of four Northwest Colorado Water Forums was held on Friday, November 5, 2010 in Hayden, Colorado. We hosted 45 registered participants and nine speakers during the four hour "Why I Need the Water!" forum. Participants came from Moffat, Rio Blanco, Routt and Larimer Counties, representing individual interests, organizational and governmental agencies. Demographics of ages, education and vocations were varied.

Nineteen evaluations were returned to us and we were encouraged by the high level of positive response.

We requested and were approved for continuing education credits for realtors and educators. Two realtors were in attendance for the fourth forum.

During the course of the four forums we hosted 270 participants and 27 speakers. Nineteen different realtors attended and earned 123 continuing education credit hours.

This letter is to request a reimbursement of \$2386.41 costs incurred by Community Agriculture Alliance for Tasks #1 and #5. The grant was approved by the Colorado Water Conservation Board on October 23, 2009, with a purchase order #OEPDA10000000046 issued on the same date.

Attached with this request are:

1. CWCB Invoice tracking table
2. Supporting documentation of the expenses.
3. Copy of the print advertising used in local Rio Blanco, Moffat and Routt County newspapers
4. Copy of the flyers that were distributed in the Rio Blanco, Moffat and Routt County area
5. The November 5 program

If you have any questions or need further documentation, please let me know.

Thanks,

Marsha Daughenbaugh
Executive Director
