**Re: Water Supply Reserve Account Grant Application for Mount Pisgah Dam/Wrights Reservoir
Outlet Works Rehabilitation**

Dear Greg:

Under separate cover you will receive a WSRA grant application for the Mount Pisgah Dam/Wrights Reservoir Outlet Works Rehabilitation. At the March 14, 2012, Arkansas Basin Roundtable meeting, the Roundtable agreed by consensus to approve this application for \$25,000 in Basin Funds and \$136,345 of Statewide Funds as a part of the new WSRA loan program. This project received enthusiastic support since it includes both consumptive and non-consumptive elements, an excellent example of a multi-use initiative.

My hope is that this grant request can be heard at the September, 2012 CWCB meeting since it includes Statewide Funds. Please do not hesitate to contact me if you have any questions.

Sincerely,

Gary Barber
Chair
