PEPO Workgroup Mission:

1. *Create a process to inform, involve, and educate the public on the IBCC's activities and the progress of the inter-basin compact negotiations. This will be accomplished by communicating the vision, mechanics and relevance of the 1177 process to the general public, and securing and relying upon other groups whose focus is to provide water education to the public.*
 2. *Create a mechanism by which public input and feedback can be relayed to the Interbasin Compact Committee and compact negotiators. This will be accomplished by encouraging participation of a broad range of stakeholders through Roundtable representatives.*
 3. *Provide water education opportunities to Roundtable and IBCC members to help them make more informed decisions.*
