SUMMIT GOALS

GOAL ONE

Provide a forum for Basin Roundtables to share progress on Basin Implementation Plans, goals and measurable outcomes statewide.

GOAL TWO

Raise awareness statewide regarding the status of the IBCC's conceptual agreement and allow for additional input from Basin Roundtables.

GOAL THREE

Engage in Colorado's Water Plan and discuss the strategy for incorporating Basin Implementation Plans into the water plan.

GOAL FOUR

Showcase the methods used by Basin Roundtables to engage local level stakeholders and the public in the Basin Implementation Planning process.
