### Staff Recommendation

This is an informational item only and does not require board action.

### Discussion

Subsequent to the finalization of the agenda for the March 2014 CWCB meeting, the Fowler Pilot Project application was voluntarily withdrawn by the sponsor/applicant.

A letter of explanation was submitted to the CWCB, which was then posted to the following-leasing page of the agency's website.

The Fowler Pilot Project was the first and only proposal/application related to the 2014 irrigation season that was submitted under HB 13-1248 and the associated Criteria and Guidelines adopted by the CWCB.

The previously scheduled Conference Committee Meeting for the project (March 13, 2014) is being cancelled as of the time of this memo.

Staff can provide the Board with a brief verbal overview of this agenda item, but no action is required.
