

Summary

Applicant seeks to amend a plan for augmentation with exchanges through instream flow reaches.

CWCB Appropriations

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
5-85CW646	Roaring Fork River	30/55	11/8/1985	Roaring Fork	Pitkin, Eagle
5-10CW184C	Roaring Fork River	0.15 – 0.89	6/30/1904	Roaring Fork	Pitkin

Potential for Injury

1. The proposed plan for augmentation and exchange may not replace depletions in the amount, timing or location at which they occur, which could injure the CWCB's instream flow water rights.
2. The application does not present sufficient information to fully evaluate the extent to which the Board's instream flow rights may be injured.

Other Objectors

Another objection was filed by the City of Aspen.
