

Summary

Applicant seeks a plan for augmentation, and to change an irrigation right to add augmentation use.

CWCB Appropriations

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
7-80CW041	West Fork San Juan River	25/14	1/30/1980	Upper San Juan	Mineral, Archuleta
7-80CW040	San Juan River	50/30	1/30/1980	Upper San Juan	Archuleta

Potential for Injury

1. The proposed change of water rights could cause an expansion of use and a change in the location and timing of historical irrigation return flows, which could injure the CWCB's instream flow water rights.
2. The proposed plan for augmentation may not replace depletions in the amount, timing, or location at which they occur, which could injure the CWCB's instream flow water rights.
3. The application does not present sufficient information to fully evaluate the extent to which the Board's instream flow rights may be injured.

Other Objectors

Other objections were filed by Saddleback Ranch, LLC and the Pagosa Area Water and Sanitation District.
