Dear Jacob:

The Yampa/White/Green Basin Roundtable held a meeting on October 16, 2013 wherein the Board voted, with one dissenting vote to award the Rio Blanco Water Conservancy District a grant for a feasibility study on proposed reservoirs. The funds are to be disbursed as follows, 90% of \$150,000, less a 10% local match, leaving \$135,000, with 50%, \$67,500 given by the Yampa/White/Green Basin account 50%, \$67,500 given by the CWCB.

Kent Vertrees voted no as he felt that the match should have been higher.
