**Re: Bear Creek Sediment Removal Project – Phase I**

Dear Jacob:

Under separate cover you have received a WSRA grant application for the Bear Creek Sediment Removal Project – Phase 1. At the June 12, 2013, Arkansas Basin Roundtable meeting, the Roundtable agreed by consensus to approve this application for \$15,000 in Basin Funds and \$85,000 in Statewide Funds.

Roundtable members were in consensus that the applicant ought to request \$7,500 in Basin Funds from the South Platte basin, and reduce the Arkansas Basin Fund amount to \$7,500; but they also agreed that the Arkansas Basin would supply the entire \$15,000 in Basin funds if necessary. That request has not yet been made to the South Platte Roundtable but will be done so promptly.

My expectation is that this grant request will be heard at the September, 2013 CWCB meeting. Please do not hesitate to contact me if you have any questions.

Sincerely,

Gary Barber  
Chair
