

Summary

Applicant seeks a new storage right with a 1999 appropriation for Broken Shamrock Pond, a conditional right of exchange, and a change of the Doris Ditch and Watson No. 1 Ditch water rights from irrigation to augmentation use to provide augmentation for Broken Shamrock Pond.

CWCB Appropriations

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Appropriation Date	Watershed	County
2-00CW101	Fourmile Creek	2.75/5.8	1/26/2000	Arkansas River	Teller, Fremont
2-00CW102	Fourmile Creek	4.9/8.2	1/26/2000	Arkansas River	Teller, Fremont
2-00CW103	Fourmile Creek	9.4/4.5	1/26/2000	Arkansas River	Teller, Fremont
2-00CW104	Fourmile Creek	9.1/4.75	1/26/2000	Arkansas River	Fremont
2-00CW105	Fourmile Creek	9.5/5	1/26/2000	Arkansas River	Fremont
2-00CW106	Fourmile Creek	3.5/9.5	1/26/2000	Arkansas River	Fremont

Potential for Injury

The instream flow water rights might be subject to the water rights claimed with senior appropriation dates under C.R.S. 37-92-102(3)(b) if the uses of those water rights are sufficiently documented. The proposed change of water rights could cause an expansion of use and a change in the amount, location and timing of historical return flows, which could injure the CWCB's instream flow water rights.

Other Objectors

Other objectors include the Catlin Canal Company, Odgen Brown, III, the Pisgah Reservoir and Ditch Company, the Rainbow Valley Water District, the Saddle Mountain Mutual Water Company, and the State Engineer and Division Engineer for Water Division 2.
