AGENDA ITEMS: 5 through 12 - Basin Implementation Plan Presentations

Staff recommendation: This is an informational item only. No Board action is required.

Background

Each Basin Roundtable developed their draft Basin Implementation Plan (BIP) over the last fourteen months. The written draft of these plans are due July 31st, 2014.

CWCB staff will then take these results and incorporate them into draft chapters and sections of Colorado's Water Plan for review in September and October.

Final BIPs are due in April of 2015 and will be incorporated into the second draft of Colorado's Water Plan.

Any public input on the draft Basin Implementation Plans should continue to be submitted directly to the relevant Basin Roundtables. If you have any questions please email cowaterplan@state.co.us.

Discussion

Each Basin Roundtable is represented through their members and consultants, who will present the BIP results. Each agenda item's presentation will take approximately half an hour and then the Board will have fifteen minutes to comment or ask any questions of the presenters.
