Denver, CO 80203

Re: Grant Request from the Water Supply Reserve Account
Trout Unlimited
Upper Ohio Creek Flow Restoration Project

Dear Mr. Godbout:

This letter is presented to advise you that the grant application submitted by Trout Unlimited for \$6,000 from Basin Account funds from the Water Supply Reserve Account for its Upper Ohio Creek Flow Restoration Project was reviewed by the Gunnison Basin Roundtable and its Project Screening Committee, and was approved by a unanimous vote of the Gunnison Basin Roundtable during our meeting on May 5, 2014.

This water activity meets the provisions of Section 37-75-104(2), Colorado Revised Statutes. The requirements/language from the statute is provided in Part 3 of the Criteria and Guidelines.

This activity furthers basin-wide consumptive needs for the Gunnison Basin by improving agricultural efficiencies and helping to meet the Basin's non-consumptive needs.

Sincerely,

Michelle Pierce
Chair
