#### **Note:**

- The Water Resources Review Committee will hold a Colorado Basin hearing on Colorado's Water Plan from 5-7 p.m. on Thursday, Aug. 21, at the new Glenwood Springs Branch Library, located at 8<sup>th</sup> and Cooper downtown. Easy, free parking is available in the new parking garage underneath the facility. This review is part of the legislative review spelled out in SB 115. The purpose is to gather public input on the initial scope, fundamental approach and basic elements of the draft water plan.

- Next Roundtable meeting: Monday, Aug. 25: This will include a presentation by Xcel Energy and Regional VP Jerome Davis regarding the Shoshone Hydro Plant.
