

Summary

The Applicant seeks to change an interest in the Weminuche Pass Ditch water right, a transbasin diversion (Division 7 to Division 3), from irrigation to augmentation use in existing San Luis Valley Water Conservancy District umbrella plans for augmentation.

CWCB Appropriations

The CWCB holds the following instream flow water right that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
7-84CW283	Los Pinos River	32	7/13/1984	Upper San Juan	La Plata Hinsdale

Potential for Injury

The proposed application could cause injury to the Los Pinos River instream flow water right if future diversions of the ditch increase over the historical amounts.

Other Objectors

Statements of opposition were also filed by the Southwestern Water Conservation District, Southern Ute Indian Tribe, Pine River Irrigation District, King Consolidated Ditch Company, Morrison Consolidated Ditch Company and Los Pinos Ditch Company.
