**AGENDA ITEM:** #9 – **RWEACT Update – West Fork Complex Burn Area**

---

### **Introduction**

RWEACT is a community group that was formed to address general concerns regarding public safety and environmental health concerns after the West Fork and Papoose Fires. Their website is <http://www.rweact.org/>. A \$2.5 million Governor's Executive Order funds these activities. The executive order and associated grants include a requirement for regular reporting to the Board. Tom Spezze is the Executive Director for RWEACT and will give the Board an overview of RWEACT activities. Attached is the RWEACT fall newsletter which summarizes many of RWEACT's recent actions.

### **Staff Recommendation**

This is an informational item with no formal board action requested.
