Zweck & Turner Ditch Co. - Emergency Zweck & Turner Ditch Repair

---

#### Background

The Zweck and Turner Company requested a loan for emergency repairs due to the flood of Sept. 2013. During the unprecedented flood of September 2013 in the tributaries to the South Platte River, a significant number of diversion structures and dams along the river corridor were damaged. The Company's Zweck and Turner Ditch received significant damage as a result of this flood. The purpose of the Project was to repair the ditch to allow the Company to deliver its decreed water rights. The company was unable to get approval from Boulder Count so they will not be needing the loan. See attached email from Reggie Golden, Zweck & Turner Ditch Company, dated October 24, 2014.

#### Staff Recommendation

Staff recommends that the Board deauthorize the following loan:

	Borrower	Project	Approval Amount	Approval Date	Account	Contract Number
a)	Zweck & Turner Ditch Company	Emergency Zweck & Turner Ditch Repair	\$252,500	December 19, 2013	Severance Tax PBF	C150388

Thank you for your assistance in this matter.

Sincerely,

Reginald V. Golden
