Re: Grant Request from the Water Supply Reserve Account
Grand Mesa Water Users Association
Replacement of Measuring Devices on Grand Mesa

Dear Mr. Doherty:

This letter is presented to advise you that the grant application submitted by the Grand Mesa Water Users Association for \$40,000 from Basin Account funds from the Water Supply Reserve Account for the Replacement of Measuring Devices on Grand Mesa was reviewed by the Gunnison Basin Roundtable and its Project Screening Committee and was approved by a unanimous vote of the Gunnison Basin Roundtable during our meeting on May 7, 2013.

This water activity meets the provisions of Section 37-75-104(2), Colorado Revised Statutes. The requirements/language from the statute is provided in Part 3 of the Criteria and Guidelines.

This activity furthers the basin-wide consumptive needs for the Gunnison Basin by helping to reduce agricultural water shortages and by replacing aging infrastructure .

Sincerely,

Michelle Pierce
Chair
