SUBJECT: Telluride Pines Water Augmentation - \$25,000 from Basin Account

Dear Mr. Godbout:

The Southwest Basin Roundtable is pleased to recommend funding of \$25,000 from the Southwest Basin Account for Telluride Pines Water Augmentation. The application was considered in detail and approved at the November 14, 2013 meeting of the Southwest Basin Roundtable. There was a quorum of Roundtable members present.

The proposed project is consistent with the Southwest Basin Roundtable M&I strategy which includes support for firming domestic water supplies in cases where the proponents are making substantial investments of their own funds to leverage loans and grants to meet long term supply needs.

The completed Grant Application will be forwarded directly to you by the applicant. Please contact the applicant directly or me at 970-565-7562, mpreston@frontier.net, if you have questions or wish to discuss this application in more detail.

Sincerely,

Michael Preston

Southwest Basin Roundtable Chair
