SUMMIT GOALS

GOAL ONE

Engage Basin Roundtable members and the public to help further develop critical aspects of Colorado's Water Plan.

GOAL TWO

Provide a forum for Basin Roundtables to share their thoughts statewide.

GOAL THREE

Raise awareness statewide regarding the status of the IBCC's conceptual framework and allow for additional input from Basin Roundtables.

GOAL FOUR

Help Colorado's Water Plan be consistent with the Basin Implementation Plans with regard to funding, permitting, legislative concepts, and agricultural viability.
