Dear Craig:

The Colorado Basin Roundtable voted unanimously at its Jan. 26, 2015, meeting to approve a grant request for \$48,750 from the Colorado Basin Water Supply Reserve Account and \$926,250 from the Statewide WSRA on behalf of the Summit County application to accomplish restoration of a reach of the Swan River.

As the CWCB can see from the application, the money is well leveraged by cash and in-kind contributions from 10 entities, exemplifying collaboration and cooperation on critical environmental work on the Swan.

This grant request is the kind of work envisioned by the CBRT's draft Basin Implementation Plan and addresses actions spelled out in Section 6.6.7 of the draft Colorado Water Plan. Thank you for the staff and Board time to consider this important work.

Sincerely yours,
