Re: Grant Request from the Water Supply Reserve Account
North Fork Farmers Ditch Extension
Ditch Slope Repair and Stabilization Project

Dear Mr. Godbout:

This letter is presented to advise you that the grant application submitted by the North Fork Farmers Ditch Extension for \$35,000 from Basin Account funds from the Water Supply Reserve Account for the Ditch Slope Repair and Stabilization Project was reviewed by the Gunnison Basin Roundtable and its Project Screening Committee, and was approved by a unanimous vote of the Gunnison Basin Roundtable during our meeting on January 5, 2015.

This water activity meets the provisions of Section 37-75-104(2), Colorado Revised Statutes. The requirements/language from the statute is provided in Part 3 of the Criteria and Guidelines.

This activity furthers basin-wide consumptive needs for the Gunnison Basin by protecting pre-compact water rights, improving irrigation infrastructure and preserving agricultural use.

Sincerely,

Michelle Pierce
Chair
