

Summary of Water Court Application

Applicant seeks to correct an established but erroneously described point of diversion for wells, pursuant to 37-92-305(3.6) C.R.S. These wells are included in multiple other court cases and augmentation plans, and in some cases have been decreed as alternate points of diversion to surface water rights.

Staff Recommendation

Staff requests ratification of the Statement of Opposition filed to protect ISF water rights. The Attorney assigned to this case is Jennifer Mele, who can be contacted at Jennifer.Mele@state.co.us, or (720)508-6282.

CWCB Instream Flow Water Rights

The CWCB holds the following instream flow water rights that could be injured by this application:

CWCB Case No.	Stream/Lake	Amount (cfs)	Approp. Date	Watershed	County
5-87CW294-298	Blue River	Varies between 50-125	10/2/1987	Blue	Summit

Potential for Injury

The application if decreed could alter engineering assumptions used in the existing plans for augmentation, which could injure the CWCB's instream flow water rights.

Other Objectors

No other Statements of Opposition were filed.
