Dear Mr. Godbout:

This letter is presented to advise you that the grant application submitted by the Marcot Park Ditch and Reservoir Company for \$10,000 from Basin Account funds from the Water Supply Reserve Account for an Engineering Review of the Marcot Dam Outlet Structure was reviewed by the Gunnison Basin Roundtable and its Project Screening Committee, and was approved by a unanimous vote of the Gunnison Basin Roundtable during our meeting on March 2, 2015.

This water activity meets the provisions of Section 37-75-104(2), Colorado Revised Statutes. The requirements/language from the statute is provided in Part 3 of the Criteria and Guidelines.

This activity furthers basin-wide consumptive needs for the Gunnison Basin in that provides agricultural and domestic water and improves existing infrastructure.

Sincerely,

Michelle Pierce
