SUBJECT: Town of Mountain Village 2015 Waterline Extension Project - \$30,000 from
Basin Account

Dear Mr. Godbout:

The Southwest Basin Roundtable is pleased to recommend funding of \$30,000 from the Southwest Basin Account for the Town of Mountain Village 2015 Waterline Extension Project. The application was considered in detail and approved at the April 8, 2015 meeting of the Southwest Basin Roundtable. There was a quorum of Roundtable members present.

Supporting the distribution of available M&I water supplies to where water is needed has been a primary strategy of the Southwest Basin Roundtable. This strategy is enhanced by the fact that the project provides for fire flows that protect public safety and includes micro-hydro power generation, which are also a matter of interest to the Roundtable.

The completed Grant Application will be forwarded directly to you by the applicant. Please contact the applicant directly or me at 970-565-7562, mpreston@frontier.net, if you have questions or wish to discuss this application in more detail.

Sincerely,

Michael Preston
Southwest Basin Roundtable Chair
