Dear Craig:

The Colorado Basin Roundtable voted unanimously at its May 18, 2015, meeting to approve the Water Enhancement Authority's grant request for \$25,000 in Water Supply Reserve Account funds.

The Water Enhancement Authority is a broad collaboration of water interests in Mesa and Delta counties that contributes money and other resources to a network of cloud seeders that target the Grand Mesa, Battlement Mesa and the West Elks. This grant would support a new remotely operated seeder on the Grand Mesa.

The Roundtable supports cloud seeding as a method of improving snowpack and runoff. This effort addresses two of the themes in the CBRT Basin Implementation Plan: Sustain Agriculture and Secure and Protect Safe Drinking Water.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Jim Pokrandt", with a long, sweeping horizontal stroke extending to the right.

Jim Pokrandt
Chair, Colorado Basin Roundtable
