Dear Craig:

The Colorado Basin Roundtable voted unanimously at its July 27, 2015, meeting to approve the Grand Valley Water Users Association's request for \$42,700 in WSRA Basin funds for its Grand Valley Roller Dam Rehabilitation Phase 1, Development of a Dam and Canyon Facilities Master Plan.

The CBRT Basin Implementation Plan identifies Dependable Basin Administration as a top priority and calls out protection of the Roller Dam and the Cameo Suite of water rights as specific actions. This also falls under our priority of Sustaining Agriculture. The Roller Dam and associated facilities are this year marking their 100 anniversary. This is a timely project deserving of support.

Sincerely yours,
