Flow

An aerial photograph showing a river with a large, light-colored sandbar in the center. A narrow, dark channel of water flows through the sandbar. Several yellow construction vehicles, including cranes and excavators, are positioned on the sandbar. A blue arrow in the upper right corner points to the right, labeled "Flow". The background shows a line of trees and a grassy bank.

Shoemaker Island Complex 2010

Shoemaker Island Complex

2012

- 
- The map shows an aerial view of the Shoemaker Island Complex, a long, narrow island with a winding river. A yellow line outlines the entire island. Three dashed blue lines delineate specific management areas: Area 1 is in the upper right, Area 2 is in the middle right, and Area 3 is in the lower left. A yellow star is located in the upper right, near Area 1. The surrounding landscape consists of agricultural fields and a road.
- ★ Prescribed Fire (2012)
 - 1. Tree Clearing (2012)
 - 2. Grassland cleanup
(Cedar/brush removal)
(2012)
 - 3. Island Disking (2012)
