Re: WSRA grant – BIP – Arkansas Basin Implementation Plan Coordinator
change of Fiscal Agent

Dear Brent:

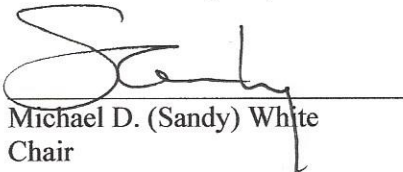

At July's regular meeting the Roundtable's Executive Committee considered a change in fiscal agent for the captioned grant. As you know, at the June meeting, the existing fiscal agent, Lower Arkansas Valley Water Conservancy District (LAVWCD) resigned, effectively immediately.

Because of TABOR complications, finding a replacement fiscal agent was not the work of the moment. Nevertheless, the Huerfano County Water Conservancy District was willing and able to take on the job – an offer accepted by the committee.

Consequently, the committee respectfully requests that CWCB at its next meeting, July, 2016, approve a change of fiscal agent for this grant contract from LAVWCD to HCWCD.
